list the Securities Act registration statement number of the earlier effective
registration statement for the same offering. []

If this Form is a post-effective amendment filed pursuant to Rule 462(c)
under the Securities Act, check the following box and list the Securities Act
registration statement number of the earlier effective registration statement
for the same offering. []

=====

DEREGISTRATION OF SECURITIES

On September 6, 2001, Vishay Intertechnology, Inc., a Delaware
corporation, filed a registration statement on Form S-4 (No. 333-69004)
registering 31,799,499 shares of Vishay common stock in connection with Vishay's
acquisition of General Semiconductor, Inc., a Delaware Corporation. In the
acquisition, each share of General Semiconductor common stock was converted into
0.563 shares of Vishay common stock. The merger was consummated on November 2,
2001. Included in the 31,799,499 total shares registered were 6,245,499 shares

of Vishay common stock issuable upon conversion of \$172.5 million principal amount of outstanding convertible subordinated notes of General Semiconductor due December 2006. On October 31, 2001, Vishay filed a registration statement on Form S-3 (No. 333-72502) to register the 6,245,499 shares of Vishay common stock issuable on conversion of the General Semiconductor notes, which was superseded by its registration statement on Form S-3 (No. 333-89614) filed on May 31, 2002, registering 6,191,166 shares of Vishay common stock issuable upon conversion of the General Semiconductor convertible notes then outstanding. (On January 10, 2002, General Semiconductor repurchased \$1.5 million principal amount of the convertible notes pursuant to an offer required to be made under the indenture governing the convertible notes.)

The shares of Vishay common stock issuable upon conversion of the convertible notes having been registered on the Form S-3 (or, in respect of the shares issuable upon conversion of the repurchased convertible notes, no longer issuable), this Post-Effective Amendment No. 1 to the S-4 Registration Statement is being filed to deregister 6,245,499 of the shares registered by the S-4 registration statement.
